

October, 2012

Dear Member:

We are pleased to announce a new dental plan administered by Healthplex will be effective November 1, 2012. The new plan replaces your previous coverage provided through Blue Cross Blue Shield and the supplemental dental benefit through the District Council 1707 Local 95 Welfare Fund. This new plan will provide coverage to members and all eligible dependents.

You have been enrolled in the Comprehensive Plan underwritten by Dentcare Delivery Systems, Inc. With this plan, there are no annual maximums or deductibles, no claim forms, and no waiting for reimbursement checks. Some services are rendered without any cost to you, while others have a minimal copayment that you pay directly to your participating dentist. The enclosed brochure shows your patient copayments and provides a general description of your plan. All covered benefits are provided or arranged by your general dentist. All covered specialty care is available at participating specialists' sites with an approved referral. **It is important that you understand that care provided by a non-participating dentist is not covered under this plan.**

The enclosed Identification Card contains the name, address and phone number of your assigned General Dentist. This dentist was selected based on the closest location to your home address. All members and their eligible dependents must use the same assigned Dentist. If the provider selected is not convenient, you can view the most current list of participating providers at www.healthplex.com, click on "Our Dentists" and "Comprehensive Managed Care". Complete the enclosed form and return to Healthplex in the envelope provided or fax to 516-227-0582. You can also email to Enrollments@Healthplex.com. Please be sure to include your name, group number and Social Security number. A new ID card will be issued.

If you have any questions regarding your new plan, please call our Member Services Department Monday through Friday 8:00 a.m. to 6:00 p.m. at 1-800-468-0600. Beginning November 1, you can visit the Healthplex, Inc. website to view your account and certificate of insurance or request additional ID cards. You can also obtain a certificate of insurance at the Fund's website www.dc1707l95wf.org. If you do not have access to a computer, complete the enclosed form and a certificate will be mailed to you.

We hope you and your family take full advantage of your new dental benefits.

Thank you,
Healthplex, Inc.
